Dear Jamie,

I thought you might enjoy to see the end result of all the outside work around the house. I also want to tell you how much I enjoy those flower beds you put in. Every time I leave or come to my house I look at it all and it makes me feel happy and proud. In the picture I have a lot of begonias between the ligustras. This year the Nandinas are red and although the begonias are gone, there is still a splash of color. I am hoping the Houma dogwood will come up healthy and strong next year. Please say hi to Chris from me.

Hi, Jaime.

The 15th is great - unless it snows, which I understand it is threatening to do! Our company start to arrive on Thursday afternoon, so any time up until then will be terrific.

What a wonderful treat to come home tonight and find we didn't have to spend several hours shovelling out the snow in the driveway. Looks as though it is coming down in buckets, so it may need a second go-around. Thanks so much for coming to our help!

Ruth

The job looks wonderful! I'm chuckling to myself that you recommended a year ago that I fix up the scene under the spruce/maple tree—that along with the other work in the front is a great boon.

Thank your men for a job well done.

Happy Easter.

Dear Jaime:

I got your letter & bill &  
I wanted to tell you how  
very happy I am with the crew  
you send here. They do a very  
good job. My son said they did  
an excellent job in the back yard  
on the last clean-up. The front  
yard is always excellent, too.

I thank you for cutting my  
lawn when it needs it, without  
my having to call you. At times,  
I am not here - so that makes  
me one less worry when I'm  
away.

Have a wonderful holiday.  
God Bless you & your family.
