Hi to My Friends at Deehan Landscaping,

I want to praise the work you do and also thank Elizabeth who acted promptly on my request yesterday to have someone do the weeding at my home. My thanks should also go to the gentleman who did a great job of weeding yesterday. I do appreciate the quickness of your response to my request.

So often people do not take time to let a company know how much their services are appreciated. Hope that my thanks gets funneled to those who do the work.

Thanks so much,

Shirley Stevenson

Hi Elizabeth:

I want to let you know that Sergio and his crew did a fine job yesterday and we are very pleased with the result. We like it so much that we'd like two more plants added to the area where the men removed the other shrubs. Could you let us know how much that will be and when you could do it? In addition to the work that we expected, Sergio also patched an area of grass that our contractor rolled over with his truck. It was very nice for him to do that for us. Of course, it could happen again before our kitchen is finished so we'll just deal with that when and if it happens! Thanks again for your help throughout this project. Best, Sue and Hal Morse

To the Editor:

Have you gone to work dreading Monday morning?

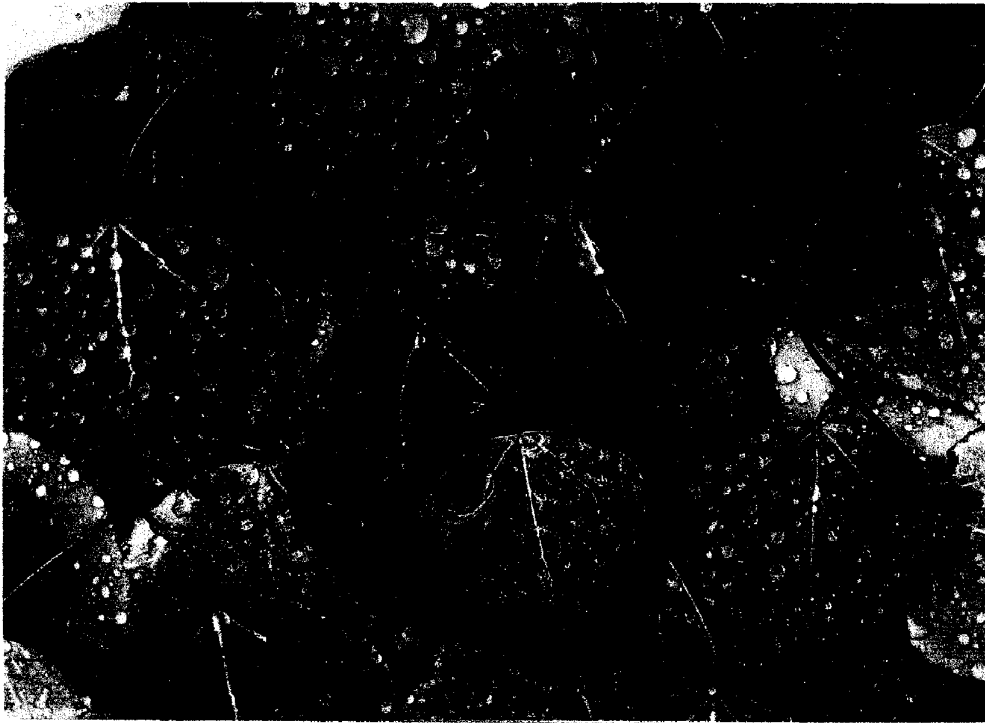

Well, I wanted to let the community know about a wonderful boss I have and why I haven't dreaded Monday morning. I work for Jaime Deehan and this week he is celebrating his 19th year in business in the McLean area. He has worked diligently in the McLean area to improve landscaping as well as his employees' lives. He arrives at work with a smile on his face and makes sure each and every employee feels special before they begin their day. His enthusiasm is contagious and makes the environment a happy one.

With almost two decades of service, he makes working fun. Thank you so much Jaime Deehan for your pride and commitment to the McLean community.

We appreciate you as a boss.

Thank you.

The troops did their usual first rate job cleaning the leaves - the yard looks great! Before doing the budget for the next contract, I would like to talk about the nature of the job - I think we can simplify it and make it more environmentally friendly without hurting appearance.

We wish you and all the troops a Very Merry Christmas and a Great and Peaceful 2005. Our thanks to all for a job very well done in 04!

Jamie,

We have a ratified contract to sell our home in McLean. With regret, I am writing to inform Deehan Landscaping that we will no longer be needing your services as of January 31, 2005. I will be sending payment for your January statement via U.S. Mail.

We have moved our primary residence to the Maryland Eastern Shore. We do not plan to own a home in Northern Virginia, but if we did, your company would be our first choice for yard care. We have always enjoyed our relationship with you and value your honesty and openness. My apologies for getting a bit "testy" with you at times, but I think you know how much I share your passion and drive for perfection.

We will be giving you name to the new owners and encouraging them to continue to use your services.

Until we meet again, best wishes for your continued success,

Keith and Lisa Ghezzi

Hi, Jamie!

Happy New Year to you and to your guys! Just received your January 2005 Deehan Scapes, and with it the request to let you know if we need assistance with Snow Management. Please be sure we are on your list ... Roger and I surely do need your help!

Thanks for the work on our split rail fencing. You took care of our problem lickety split ... and the fencing looked SO much better, and in perfect time for our visit by out-of-town family!

Many thanks!

Ruth

Jaime,

We returned from the very hot Southwest Georgia last night and everything looks in good shape and very lush..

We did notice that your recent service slips were not signed by Sergio. Since he told us of having a new baby the last time we saw him in late May or early June, we were concerned about him and his family.

Hope all is well with him and yourself.

Cheers,

Sam

Dear Jamie,

Every good job should be recognized. Therefore, I want to advise you of how pleased I was with the superb job Mario and his partner did in manacuring my bushes in July.

I am very pleased. It looks lovely. I called and told this to your secretary and she asked that I put it in writing. Sorry I am a bit late in doing so.

Dear Jamie:

The members of the Canoe Cruisers Association of Greater Washington, D.C. and I want to thank you for your generous contribution as a sponsor to the CCA's 50th Annual Downriver Race. Seventy boaters entered the race and we gave away a total of 130 T-shirts with your logo on each shirt.

Next year will be the 50th anniversary of the founding of the CCA. We hope to make that a special event as we made this year's race anniversary a special event. Also, we hope that you will keep us in mind for sponsorship for next year's race. I am enclosing a T-shirt for you. In case you did not see the write-up of the race that appeared in the *Washington Post*, I am enclosing a copy of the article.

Once again, thank you very much for being a sponsor of the CCA's Annual Downriver Race. Next year, come out and run the race. We'd love to see you.

I noticed how well groomed a friend's yard is and she said that your company maintains it for her. I was wondering if you provide mowing and edging service (without the other mulching, weeding, chemical treatments, etc.) and, if so, if you could provide a quote for an ongoing basis? I'd also be interested in a separate quote for a one-time garden/shrub/mulch cleanup.

Thanks.
